

Visitors must carefully read these terms and agree to this statement before accepting the services of this website. Your access to this website and the use of this website in various ways will be deemed to be an unanimous endorsement of the entire contents of this statement. If you have any objections, please consult us immediately.

The information provided on this website is for reference only.

This website and its employees are not required to bear any direct or indirect responsibility to users or any other person for any errors, inaccurate in the transmission of any information in any way.

To the extent permitted by law, the company declares that it will not be responsible for any direct, indirect, incidental, subordinate, special, punitive, resulting from the use or failure to use the information provided by this website or any link or project compensation for damage.

If any information provided on this website is used to distribute it to anyone in any jurisdiction, it will violate the laws or regulations of that jurisdiction, or may cause the company and its third-party agents to interfere with the intervention, then this information is not suitable. Anyone uses or distributes in the area. Users need to ensure that there are no local regulations that restrict or prohibit users from using or distributing the information provided on this website.

Anyone who uses the data on this website in any way or directly or indirectly is deemed to voluntarily accept the restrictions described on this website.
